Kimpton Art Show 2016

This is the 35th year that the village has hosted an art exhibition in the beautiful surroundings of this magnificent building, and it is my pleasure to welcome you all to the Kimpton Art Show in 2016.

I hope that you will enjoy viewing the exhibition that is assembled here as well as the opportunity to meet friends and artists, to enjoy a glass of wine and to listen to the musicians.

If you are a regular visitor to our Show you will no doubt recognise a number of the artists. We are fortunate to have a significant number who have come to Kimpton to exhibit and sell their work for many years. Many of them now have a loyal following here and we appreciate their continuing support. This year we are exhibiting the work of 95 artists from across the region.

Hanging on the boards are almost 300 framed paintings and artworks. We also have 10 photographers displaying over 30 of their works. Additionally, we have a wonderful range of other media displayed on tables, windowsills and plinths around the building. You will find some fine examples of pottery, sculpture, ceramics, glass, Perspex and textiles, to mention just some of the types of work.

Each year we try to take the Show forwards in a number of ways. This year there is a significant development in that we are able to accept "Chip & PIN" credit and debit cards for the first time. So, there are fewer excuses this year for not treating oneself with a purchase or buying a unique gift for someone else.

You may also notice that our display boards have been given a much-needed lick of paint. During the dark days of February, Sue Burns, Sandra Berti and Jenny Taylor put in many hours to try and improve their appearance and extend the life of the boards a little more.

We are very fortunate to have a loyal group of sponsors and advertisers. We are delighted to continue our relationship with Strutt & Parker estate agents in Harpenden who, as well as advertising, provide us with the delicious canapés for the opening night and also promote the Show widely in the local area. Similarly, My Word Communications and Charlotte Knight continue

to contribute significantly by generously sponsoring all of the wine that is consumed at the Show.

You will no doubt recognize in this brochure some familiar local businesses in Oliver Berti, Little Gym Harpenden, HDA Auto Services and Hour Hands. We are also grateful to some new businesses that have chosen to join in. They are Rachel Jeffery Jewellery School, Bridge Cottage Surgery, Fit and Fantastic, Kumon, Weston Funeral Directors and Andrew Sinclair Electrician. I would like to thank all of you on behalf of the Kimpton Art Show. Your continuing support allows us to be confident in the financial success of the event and to make a meaningful contribution to the local charities and good causes that we support.

We rely on a large number of people giving of their time freely to prepare the Show. We have the Bench Working Party to thank again for providing the manpower to assemble our display stands, which continue to be housed and transported by Ben Cole. And then there are those of you who act as stewards, serve drinks and play live music for us. You are too numerous to mention by name but we are thankful for all of your efforts.

Finally, I will mention by name the other members of the Kimpton Art Show Committee who have again put in many hours of work to deliver another Kimpton Art Show for us. Once again this year they were Sandra Berti, Sue Burns, Tim Edwards, Carina Helmn, Simon McCullough and Jenny Taylor. We would love to hear from people who may be interested in joining the group, and particularly people with skills in IT and graphic design. Do please get in touch with us.

It remains just to say “thank you” to you, the visitor, for coming and supporting the Kimpton Art Show. I do hope you enjoy the Show and don’t be afraid to buy!

Chair of the Kimpton Art Show Committee

Catalogue of Artwork

This catalogue lists all the artwork that is on show, alphabetically by artist surname, as well as photographs and other media.

As far as possible, we have attempted to organise the exhibition in the church by catalogue number order. Please ask a member of the Art Show team if you are unable to locate particular works.

Where artists are also exhibiting unframed work in racks, this will be indicated in the catalogue at the bottom of the relevant artist's listing.

We have not catalogued the large number of other items that are on display on tables in the church but there is a broad range of work to admire.

If you wish to contact an artist, please let us have your details and we will pass them on.
